

DrySan Oxy

Ready-to-use surface cleaner and sanitizer with unique technology **Hi-Speed H₂O₂TM**

NEW

DrySan Oxy is an innovative solution that combines cleaning and sanitizing in a single product for use in dry processing environments. It can eradicate broad species of bacteria and yeasts at a rapid evaporation rate bringing about incredible performance without leaving residual active ingredients.

- ▲ Quick effective performance
- ▲ High efficiency and ready to use
- ▲ Excellent material compatibility
- ▲ No rinsing required

DrySan Oxy

Surface Cleaning and Sanitizing for daily use

DRYSAN **ODY** No-Rinse Dry Area and Mid-Shift Cleaner-Sanitizer

DrySan Oxy is a cleaner-sanitizer designed for daily use in areas where water is undesirable and may affect sensitive equipment. As such it is perfectly suited for dry process and mid-shift manual surface cleaning in the food, dairy and beverage industries.

FUNCTIONAL DESCRIPTION AND CHEMISTRY

- ▲ Combined cleaner and sanitizer in one step for best hygiene results during and after processing
- ▲ Excellent performance in dry cleaning environments including bakery, confectionery, powder processing, gum and packaging areas.
- ▲ No rinse-requirement after application where legislation allows

USE INSTRUCTIONS

- 1 Spray Drysan Oxy without dilution on the surface from a distance of approximately 30 cm or spray on a clean cloth
- 2 Wipe over the surface and ensure that it is sufficiently wetted
- 3 Let dry. Do not rinse.

ORDERING INFORMATION

OUTER SIZE	ORDER CODE
12L (12 x 1L)	202-2330200
20L (4 x 5L)	202-2330250
19KG	202-2338890

EFFICIENCY

- Wide range of applications
- Short efficacy times
- Effective cleaning performance
- Excellent wetting behavior

ASSURANCE

- Active ingredient breaks down to water and oxygen
- No biocide residues (QAC & Alcohol free formulation)
- Excellent material compatibility (including soft metal and sensitive polymers)
- Kosher & Halal compliant
- Non DC classified, low toxicity

USER FRIENDLY

- Ready-to-use product
- Clean and sanitize in one step
- No need to rinse
